

HIGH PERFORMANCE JUNIOR TENNIS

Bogdan Grygorenko brings his extensive High Performance Tennis experience from the National level to Mayfair Parkway. In bringing his High Performance Program to Mayfair Parkway this Fall, Bogdan will provide a training environment focused on provincial, national and international level tennis players. Your child will learn life skills, tactics, techniques and develop the physical and psychological abilities necessary to reach their full potential on and off court.

Through the fitness component, the program will address injury prevention, core strength, lateral movement and speed training. Match play sessions will improve players' competitive edge and will work on the tactics and strategy.

"I'm looking forward to bringing my extensive High Performance background to Mayfair Parkway as I continue to focus on my goal of developing top level Provincial and National players."

Match Play Fridays:
