

New Member Policies for Tennis Stage II:

- Members must leave the court by the end of the first buzzer.
- Members can only enter the court on or after the second buzzer.
- Each court will have a designated waiting area in the tennis hallway (indicated by floor markers) – members should be in the waiting area prior to the first buzzer to assist in social distancing.
- For the safety of our Members, all detachable benches and score cards have been removed from courts – please do not use any of our built-in benches.
- It is recommended that Members use their racquet or tennis bag to open the entry curtain onto the courts.
- Court divider nets must remain closed at all times.
- It is recommended that each player have their own can of balls (ideally from different companies for easy identification) – players should only touch their own tennis balls.
- **In phase #2 members can play both singles and doubles.**
- Masks can be taken off once play has begun and only when on court.
- The club will not be supplying ball tubes.
- No walk-ons allowed. All courts must be booked via Motion Vibe prior to entering the club.
- No physical contact (high 5's, handshakes, etc.) allowed.
- No changing sides of the court.
- The Club will continue to evaluate these policies and reserves the right to modify as needed without prior notice.
- Due to member and staff safety concerns, the Club reserves the right to suspend the membership of anyone found to be in violation of these club rules or policies. The policies above apply to our Phase I re-opening. We will revise policies and open additional services for members for Phase III when we are given the go ahead from our local governing bodies and health agencies.

Let's Work Together to Keep Everyone Safe.
