

2021-2022 HIGH PERFORMANCE DEVELOPMENTAL TENNIS PROGRAM

Under the direction of Peter Cameron, we would like to present our 2021 - 22, High Performance, Developmental Tennis Program. This program is focused on assisting players aged 4 - 14 develop the skills necessary to successfully compete at provincial, national and international levels. We will also coordinate our students' additional lessons (fitness & tennis), intra and inter-club round robins and tournament play into a 37 week program.

PROGRAM GOALS:

- Develop our students' understanding and love of tennis and the challenges it presents.
- Develop our students' fundamental skills - physical, tactical & technical and mental.
- Introduce competition to our students within the weekly fabric of the program so that our students can both learn from and be excited by all that competition can provide.

STREAMING OF PLAYERS WITHIN OUR PROGRAM (our program offers two training streams):

- **Fast Track Stream:** For players who are already, or want to, train to compete at the Provincial, National and International levels. Players need to train a **minimum** three days a week in our groups, take additional private and/or semi-private lessons, commit to entering regular OTA events (schedule made in concert with our coaches) and to a year-round, athletic development plan.
- Players who are committed to this path will receive priority placement in our group sessions AND when it comes to scheduling privates and/or semi-private lessons with our academy coaches.
- **Developmental Stream:** This group is for those players able to train one to three days per week. Players in this less rigorous stream are allowed and encouraged to augment their group training with additional lessons, round robins and join their coaches and team mates at OTA tournaments.

RED BALL PROGRAM

- For players in our Red Ball program, group training will be offered most days. Our Red Ball program offers a savings as we can train up to 6 players per court by adding a second coach after a 5th player joins the group.
- Players will be sub-divided based on present tennis & athletic skills, ability to follow instructions and listen.
